TUESDAY MESSAGE

Dear Parents,

Today you are receiving the First Quarter report cards. The faculty has worked very hard to assess your child's progress. We are making every effort to promote effective learning strategies for each student. If you need a copy of the GLE's that will be covered in the next nine weeks, please request it from your child's teacher. All that information will be on the Edline website.

Every year St. Mary's Academy uses the Archdiocesan Safe Environment educational program to train our staff, volunteers, and student body on safe environment policies. Parents may choose to do the training at home for their child. Each teacher will request your decision on the participation of your child/ren in the training.
