TUESDAY MESSAGE.....*from Sr. Mary Lou*

Dear Parents,

Thank you for making our Open House such a success!!! I must thank all of our wonderful staff including our maintenance crew. Special thanks to Mrs. Scavo who designed the Scavenger Hunt. If some of you were not able to come...you really missed a great time with all of us. Special thanks to the PTA who provided the funds for the refreshments. We want to thank Mrs. Bemiss and Mrs. Dawn Lewis for helping us to prepare and distribute the cookies and punch. Today you are receiving your child's progress report. Please note we are asking you to sign the report and return it tomorrow. As you recall, you received the goals and objectives we would cover for the first nine weeks. We are more than half way there! If you are concerned about your child's progress, please feel free to call the office to make an appointment with your child's teacher. There is still time to bring up the grades and master the necessary skills for this quarter.

LUNCH FUNDS

If your child brings home a notice that lunch funds were paid, please reimburse the office. While it might be 40 cents or 10 cents or even \$1.50, these funds come from staff monies and the amount per day adds up and the only other option is to call you to bring funds so your child can be served a meal.

MEDICAL MATTERS

The recent rains and weather conditions have sparked a real problem with mosquitoes. Several children are getting blisters from the bites which are getting affected. The result is a contagious condition known as *INDIAN FIRE*. If your child has a fever and that fever is accompanied by severe mosquito bites, please contact your child's pediatrician. If there are other younger children in the household, please check them as a precaution.
